GUESS WHO'S COMING TO DINNER IS CENTERED AROUND PEOPLE AND FOOD!

It is our belief that small groups of people gathering together is the foundation for healthy, growing churches. Our church is no different. That is why we invite you to be a part of this new experience.

Here's how it works. First, choose whether you'd prefer being a guest or a host. Being a guest is simple—sign up to come then show up at the address given to you. That's it!

To be a host, you agree to host a meal in your home for a set number of guests, say 4 - 8 people. We do the work of inviting people for you, so you just prep your meal and wait to see who shows up at the door.

Meals are for adults and any kids 10-years-old and up. If you have kids under 10, we can provide funds for babysitting. That way your little ones are taken care of and you have the freedom to meet and visit with those at dinner.

If you want to get to know people at Central, this is a great way!

A FEW THINGS TO REMEMBER

If you commit to come, please come! Hosts are preparing meals based on your registration.

Please respect your host's time as well as their home.

Guests will be given their dinner destination and what time to arrive.

Hosts will be given the number of guests to expect and information about food allergies.

The dinners themselves can be anything. Paper plates and pizza work great! If you need ideas, let us know.
